

Girton Tennis Club Committee Meeting (3rd June 2020)

Via Zoom at 7.00pm

1. Members present

Andy Luff, Alan Franklin, John Irwin, Victor Travieso, Alan Richardson, Bruce Parker, Kevin Keeves, Mathew Boucher.

Apologies: James Page, Mark Lawton

2. Introduction

The last Zoom meeting agreed to follow the latest LTA guidelines which allow a Coach to use the facilities with up to 5 other people and members to play doubles again. This meeting was called to clarify how many Members can play during a booking.

3. Use of Club Facilities

Following much discussion, it was agreed that:

Members who have booked should be able to bring up to 5 other players with them. Their booking is for the whole hard-court area so this would allow this larger group to play doubles on one court and singles on the other.

Keeping the maximum number to 6 means that non-coaching Members have the same access as is provided for a Coach (who must also be a club member).

The last email from KK informed members that playing doubles is in the latest LTA guidelines.

VT will add a clarification to the booking page on our website about how you can use your booking.

4. AOB

VT has emailed David Nation about starting Coaching again but has had no response. One of our Members is a Coach and is providing some sessions currently. This will be kept under review as we would like to be able to offer Coaching more widely to our Membership.

Judith Croasdell has decided not to re-join the club this year. VT will remove her from the Committee circulation list.

5. Next Meetings No dates were set but may be called as required.
